

Destination JUNGLE

TD's Summer Reading Program for 2010

Hello everyone! It's that time of year again where we all want to be outside and playing games with our friends. Well, it's also time for this year's summer reading program: Destination Jungle. This year's coordinator will be Kim Kieser, the same as last year! She has lots planned, including all sorts of games, crafts, and exploring the unknown jungle.

MORNING SUMMER READING PROGRAM

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|-----------|----------------------|-----------|-----------|-----------|---------|
| Mornings* | Kindergarten-Grade 1 | Grade 1-2 | Preschool | Grade 3-4 | Grade 4 |

* Mornings subject to change due to numbers; I will try to accommodate everyone

Like last year, we will have SRP programs by grade completed in the morning once a week from 9am-11:30am (except preschool which ends at 10:30). We will be reading books, playing games, making crafts and taking out books. We will learn how to navigate through the jungle and what the animals have to do in order to survive! There is lots planned and never a dull moment exists with your tour guide, Kim, with her helpers. The cost of the morning program is \$3 per week or pay \$15 for the whole summer and get a free t-shirt (children must have a valid Bon Accord Public Library card)

afternoon crafts & activities

The afternoon activities are for kids 6-12 years of age, space is limited for all programs, so please register early to avoid disappointment.

- Monday afternoons we will be doing a craft. Included in these days are a Monkey puppet, making a jungle zoo and a pretty cool afternoon involving the Birds of Paradise!
- Tuesdays will involve lots and lots of games and activities. Included in these afternoons will be a "Tarzan and Jane Day", a theatre day or 2, and Jungle BINGO and Jeopardy!
- For Wednesdays, we will mostly be joining with the Town of Bon Accord Summer Camp group for more people to join in games and activities. For these, we are still in the process of planning, but we promise to bring you lots of fun.
- Thursdays we will be doing a little bit of everything. Thursdays will entail cooking a jungle snack (allergies will be taken into consideration), the SRP's end party, and, of course, the girl's only afternoon and boy's only afternoon.

Cost is \$3 per afternoon or sign up for all 22 afternoons for \$60 and get a free t-shirt (children must have a valid Bon Accord Public Library card)

READING BUDDIES

Friday afternoons are a little bit different. From 1-3:30, we will be doing one-on-one reading. We will have one child per worker and the child will work on their reading skills. This is a free event, but we only have so many half hour spots, so you have to sign up! A list of times and what you would like to work on (from learning the alphabet to reading skills) will be available at the public library.

ABOUT KIM

Here's a little bit about Kim, the lady who will be leading the expedition this. She has finished her second year of the RN program at Grant MacEwan University.

She has been doing summer programs with children during the summers for 3 years previously along with other programs such as Big Brothers, Big Sisters. She has her first aid and CPR certificates. If you have any questions, don't be afraid to call the library or come in and talk to her.

We can't wait to see your smiling faces! And don't get lost finding the Bon Accord Public Library through that jungle out there!

Awaiting the summer anxiously,

Kim Kieser

Full registration packages are available at the library or on our website
